I will have a \_\_\_\_\_ flute to work on for the courses. I will send my Project Flute one month in advance, because I understand that the pins may need to be replaced, and other mechanical problems may need to be evaluated first.

### The Fine Print Part

I am including a Material Deposit of \$300 with this Registration for each week I have registered. I understand that this deposit is **non-refundable** if I cannot attend during the week(s) for which I have registered. My deposit could be applied to future dates.

I understand and agree that reservations for the courses and for my accommodations must be made **two months in advance**. Because class size is limited to five students, some courses will fill up quickly and others could be smaller. (I will call to check for last minute availability.) Tuition for private training will be higher than for scheduled classes. Call for arrangements.

I fully understand and agree that if I am unable to attend the class for personal reasons or if Mr. Landell finds that I am unsuitable to the work *for any reason*, I could request a tuition refund pro-rated at \$200 per day for each full day that I missed.

I agree to send **PAYMENT IN FULL ONE MONTH BEFORE THE CLASS IS SCHEDULED TO BEGIN.**

My travel arrangements will be sent as soon as they have been confirmed.

I agree to hold harmless Mr. Landell, Landell Flutes, and other principals for any personal injury to myself or my property during these courses. I agree in advance to waive any rights of personal or property damage pursuant to these courses.

Yes, I understand that I am signing a **legally binding contract** with the Vermont Guild for training at the Landell studio-workshop for the dates I have chosen under these terms and conditions.
